Subject FINAL SUBMISSION - FATTY ACID DIMERS AND TRIMER - PINE
CHEMICALS ASSOCIATION CONSORTIUM REGISTRATION NO.
1101004

Attached is the final Submission for Fatty Acid Dimers and Trimer. As we previously submitted a revised test plan, it would be inaccurate to label this Final Submission as another revised test plan since that is not the case. Our revised test plan on the above subject category has already been posted on the HPV website, and the necessary testing was subsequently undertaken and completed. Therefore, we respectfully request that this Final Submission be posted on the HPV website and identified as such.
